# WHO WE ARE

GJS an agency with IT recruitment experts, is specializing in IT/Software Engineer recruitment and offshoring project across Vietnam and South East Asia region.

## COMPANY ORIGIN

Established in 2020, GJS is the leading recruitment, payroll, & outsourcing agency in Vietnam. We are ever researching and providing non-stop human resource solutions for a multitude of businesses in various fields. We have exceptional experience in technology where we provide thousands of elite programmers full of skill, experience, and enthusiasm.

## COMPANY GOALS

- Deliver the best candidates within 1-3 working days.
- Flexible pricing packages come with warranty option will definitely suite your budget.
- 20,000+ qualified software engineer profiles.

## OUR STRENGTHS

Every year, GJS cooperates with domestic and foreign enterprises to find excellent Vietnamese personnel able to adapt to varied work cultures. However, GJS is also committed to following through with these candidates we match. We are ready to facilitate candidates throughout, including after the onboarding process. As a company, we always listen, learn, and improve ourselves every day to ensure the best interests of our partners. At any time, GJS always has a professional consultant team putting its skills to work, churning out payroll transactions every month, and committed to punctuality, compliance, and 100% confidentiality. GJS is confident to be the best choice on your way to success

Xennia is such a great person to work with especially in Recruitment and in Human Resources, she has done an excellent job with recruitment management and sourcing, I strongly recommend her

Co-Founder and CEO  
**PIXCAP SINGAPORE**

Thank you once again for all your patience and helping us source a candidate after all this time. We recognize that your team has worked hard to send us a lot of candidates, and we truly appreciate it. We'd be happy to recommend you to a few other startups that we know in Singapore. *Kind regards CJ*
